

LEYDI DELGADO

DESIGNER | EXPERIENTIAL + UX DESIGN
| BRANDING & VISUALIZATION

SUMMARY

Creative, driven, and detail-oriented designer with a focus on interior, experiential, and UX design. Passionate about creating thoughtful environments and digital experiences that balance functionality, storytelling, and emotion. Skilled in merging spatial design, branding, and user experience to craft cohesive and engaging concepts through rendering, modeling, and prototyping.

WORK EXPERIENCE

THE ROLLING BAR - MOBILE EVENT DESIGN

Hospitality & UX Design Project

2024-2025 - SCHOOL PROJECT

- Designed a modular fold-out mobile bar that merges branding, UX flow, and hospitality design.
- Created day/night 3D renders, floorplans, and layouts using SketchUp, Enscape, and Illustrator.
- Focused on visual identity, user experience, and functionality for upscale event environments.

COLLECTION COURTS PARK - EXPERIENTIAL PLACEMAKING

Environmental Design, Placemaking, 3D Visualization

2024-2025 - SCHOOL PROJECT CSULB

- Collaborated on a real-world community design proposal focused on interactive wayfinding and public engagement.
- Developed graphic signage systems, zone theming, and branding elements that celebrated local culture and increased user interaction across the park.

ANGEL CITY FC FAN EXPERIENCE - EXPERIENTIAL DESIGN

Experiential Design, Event Design, Branded Environment

2024-2025 - SCHOOL PROJECT CSULB

- Developed a fan experience concept using the 4D design process to enhance engagement through interactive installations and lighting design.
- Created spatial layouts and branded graphics that reflect community spirit and team identity.
